TO: Integrated Management Subcommittee
DATE: February 23, 2015
FROM: Glenn D. Johnson, General Manager
SUBJECT: Integrated Management Plan Subcommittee meeting.

The Integrated Management Subcommittee met on Monday, February 23, 2015, at 7:30 AM at the NRD Office in Lincoln. Members present included Dave Potter, Ann Bleed, Mark Spangler, Greg Osborn, and Don Jacobson. Support staff present included Amy Zollar, Paul Zillig, Dan Schulz, Dick Ehrman and Glenn Johnson. Consultants present included Vicki Twerdochlib and Jeff Henson.

A copy of the agenda, a copy of the Scope of the Study, and a report on the Drought Tournament are attached to the minutes.

Vicki gave a review of the current status of the Project, including updates on data collection and on various Tasks in the Scope. She reported that the draft report is scheduled to be completed and provided to the Subcommittee by late March, with the Final report after review and revisions.

Jeff distributed a Summary Report on the Drought Tournament held at the NRD on February 12, 2015. He gave a brief review of the participants, the process, and the results. He and others that attended commented on the outstanding level of participant interest and engagement.

The Subcommittee decided to postpone their next meeting until after the draft Report is distributed.

An announcement was made of the Lower Platte River Basin Coalition Water Banking Workshop to be held in Columbus on March 10, 2015. (Information to be forthcoming).

Amy and Glenn will collaborate and propose a format and schedule for the first Annual Report and Review of the Long Range Implementation Plan.

The subcommittee meeting adjourned at 8:25 AM.
