The agenda for the meeting consisted of two agenda items, one required action.

The first agenda item was a review of all the various accounts the district has open with banks and investment firms. A discussion about generally accepted accounting principles followed mainly focused on the difference between accrual and cash accounting reports.

The second agenda item followed with staff presenting the schedule for the Fiscal Year 2026 Long Range Implementation Plan and budget development/approval. Brief discussion about the process was shared between staff and seasoned board members with the new board members on the committee.

It was motioned by John Yoakum, seconded by Chuck Hassebrook to recommend to the board of directors to approve and adopt the schedule for the development of the Long-Range Implementation Plan and the preparation and consideration of approving the Fiscal Year 2026 LPSNRD budget.
