RE: Finance & Planning Subcommittee February 11th Meeting Minutes.

The Finance and Planning Subcommittee met on Wednesday, February 11, 2026, and acted on one item. Subcommittee members present included Lisa Lewis, Ken Vogel, Luke Peterson, Chuck Hassebrook, David Hibler, Don Jacobson, Stephanie Matejka, and John Yoakum. Others present included David Potter, Chris Barber, Bryce Jensen, and Trent Henry with LPSNRD staff. Director Lewis called the meeting to order at 6:12 p.m.

Bids to purchase a flex wing mower [Action Item] – Chris Barber stated that staff contacted four equipment dealers within the district to request proposals for a 15 ft. flex wing mower compatible with our tractor. Each dealer received the same pricing specifications. Two dealers submitted proposals for consideration. Hamilton Equipment was the lowest bid at \$20,275. Jensen and Henry answered questions of the subcommittee.

It was moved by Yoakum, seconded by Hibler, and unanimously approved by the subcommittee to recommend the Board of Directors approve the proposal from Hamilton Equipment of Lincoln, NE in the amount of \$20,275 for the purchase of a flex-wing tractor mower.

Board Retreat [Discussion] – Potter stated the 2026 Board Retreat is planned for February 27-28 at the Lied Conference Center in Nebraska City and shared a draft agenda with the subcommittee.

There being no further business, Lewis adjourned the meeting at approximately 6:30 p.m.

Memorandum

Date: February 4, 2025
To: David Potter, General Manager
Chris Barber, Administration and Finance Manager
From: Trent Henry, Operation/Maintenance Technician
Subject: 15' Flex-Wing Tractor Mower

A couple of weeks ago, I reached out to a few equipment dealers throughout the district seeking proposals for a 15' Flex-Wing mower for our tractor. Each dealer was requested to quote a price based off the specifications that was sent to them. Below is the list of dealers that I reached out to:

Hamilton Equipment (Bobcat of Lincoln)	Lincoln, NE
Murphy Tractor & Equipment	Lincoln, NE
KanEquip Inc.	Syracuse, NE
AKRS Equipment Solutions	Syracuse, NE

Listed below are the proposals that staff received and have taken into consideration:

AKRS Equipment Solutions	John Deere FC15M	\$29,855
Hamilton Equipment	Land Pride RC3715	\$20,275

Staff recommendation is to accept the proposal from Hamilton Equipment of Lincoln, NE in the amount of \$20,275 as it meets the minimum requirements that the District was looking for in a flex wing tractor mower and it is within the budgeted amount.

cc. Bryce Jensen, Land & Flood Control Operation Coordinator
