

# THE PROGRAM

- The Lower Platte South NRD sells tree and shrub seedlings in bulk to cooperating landowners.
- The minimum order is 25.
- Species are sold in bundles of 25 (except if ordering packages) and therefore must be ordered in increments of 25.
- All trees and shrubs are \$0.90 each for orders of 25-75 seedlings.
- Only \$0.85 each for orders of 100 seedlings or more.
- Trees ordered will be delivered directly to the NRD office and stored in our custom tree cooler.
- The NRD will notify you when trees are available to pick up from the NRD.
- Trees should be ready for pick-up by mid-April.
- The sooner you plant them, the better their survival rate will be.
- The NRD can no longer provide seedling planting services.

*One bundle of 25 seedlings*

Need instruction on planting your tree seedlings? Visit [YouTube.com](https://www.youtube.com), search “Lower Platte South NRD”, and view the video, “Planting a Seedling Tree”.

## ABOUT THE NRD

The Lower Platte South Natural Resources District is one of 23 districts in the state of Nebraska formed in 1972 for the purpose of managing the state's natural resources, with an emphasis on watershed management. Programs and activities include all areas of natural resource management and development: tree planting, flood protection, wildlife habitat, stream bank stabilization, environmental education, land treatment, water monitoring and many others. The districts are partially funded by property taxes and governed by a board of directors—elected representatives who serve four-year terms. The NRD system is local government working to protect local natural resources. The Lower Platte South NRD includes nearly all of Lancaster and Cass counties and parts of Seward, Saunders, Otoe, and Butler counties.

# ORDERING

More species may be available by ordering at [LPSNRD.org](http://LPSNRD.org).

Visit [lpsnrd.org](http://lpsnrd.org) and look for the online ordering link near the top, or complete the "Tree Request Form" on this page and send it, along with a check in the appropriate amount to the NRD at the address on the form. Order forms and payment need to be at the NRD by March 27, 2020. Some species may sell out and you may then opt for another species or receive a refund. Trees will be delivered to the NRD in April.

# PLANNING

At your request, the NRD forester will make a free planning visit with you to your tree planting site to suggest species of trees.

Contact the NRD Forester:

Jay Seaton, (402) 476-2729 or at

[jseaton.forester@lpsnrd.org](mailto:jseaton.forester@lpsnrd.org) for more information.

## SEEDLING ORDER FORM

More species may be available by ordering online. Visit [lpsnrd.org](http://lpsnrd.org) and look for the link near the top.

The NRD will not share your information.  
Ordering deadline is March 27, 2020
