

Know your NRD

Take a look at the map of the Lower Platte South Natural Resources District. Can you find the following things on the map? Place a check next to each when you find them!

- | | |
|---|--|
| <input type="checkbox"/> Your home town | <input type="checkbox"/> Interstate 80 |
| <input type="checkbox"/> The Platte River | <input type="checkbox"/> Brainard, NE |
| <input type="checkbox"/> Plattsmouth, NE | <input type="checkbox"/> Hallam, NE |
| <input type="checkbox"/> Salt Creek | <input type="checkbox"/> Rock Creek |

Did you know...

The Lower Platte South NRD has been protecting natural resources since 1972. Your NRD provides local control and solutions to manage natural resources. We work to protect and conserve ground water, surface water and soil. And, your NRD provides flood control, recreation and environmental education.

Use the words below to fill-in the missing words. Each word is used only once. For help, visit www.lpsnrd.org.

Dams flooding soil
farms clean 23
 watersheds
