From: Donna Reid, District Office Secretary / Program Assistant

Date: May 14, 2025

Subject: Surface Water Quality Best Management Practices Cost-Share Applications

Two cost-share applications have been received for installing water quality improvement practices for the NRD's Summer Conservation Program. The Land Resources Subcommittee did not meet, however, the applications were reviewed by the Eastern and Western Review Groups and meet the criteria for the Cost-Share Program. One application is in the Eastern area and one is in the Western area, with none located within targeted areas. Staff recommend approval of the two identified summer surface water quality BMP cost-share applications totaling an amount of \$40,000.00.
